DEERFOOT

EXEMPTION TO IMMUNIZATION

Conscientious exemption: No camper is required to have an immunization that his parent/legal guardian believes to be medically detrimental to the child's health or is contrary to bona fide religious beliefs of the parent or legal guardian. The parent, legal guardian, or adult staff member must complete and sign the following statement and submit it as an attachment to the Deerfoot Health Record.

I hereby certify that immunization for my child or myself is contrary to conscientiously held beliefs.

_____

Indicate vaccine(s):

_____

_____

_____

Camper Name

_____

Signature of parent or legal guardian Date

Recommendations and notes from the Deerfoot Lodge health care team*:*

- We request that any unvaccinated campers refrain from visiting other camps or other large, communal settings within one week of arrival at camp.
- Should an unvaccinated camper show any signs of illness within one week of arrival at camp, please contact the Deerfoot Lodge Health Center before arrival.
- For information about vaccines and vaccine-preventable diseases, please visit https://www.cdc.gov/vaccines-children/index.html.
