Dear Columbus Day Work Weekenders (October 5-8),

We are ready to get to work this October for another great work weekend. The food will be great, and plentiful, and the work will be hard... and plentiful! We hope you can make it. Here is an early draft of our project list.

- Work on Beaver cabin
- Walkway by Founders – 6 X 6's replaced
- Mount new Island Indian carving
- Replace stairs on 2 Point cabins
- Replace railings on Wolverine cabin
- Firewood/Brush/Tree clean-up
- Repair roof on Shower Building
- Sew straps into tripping backpacks
- Canoe Repair
- Build Shutters for Old Hardwood
- Install hand-rail at Lane Cabin
- Pier work for Owl and Loon Cabin
- Repair railing around Waldorf septic field
- Install solar lights in Waldorf
- Replace log retaining for sandbox by tetherball
- Erosion control by main camp fire pit
- Sailboat sail storage

Please register online at <http://deerfoot.org/about-deerfoot/work-weekends>.

A few general reminders...

- Married couple housing is limited at DL. In some cases, couples may need to stay with other couples or in separate cabins. We do not have housing for families.
- Remember to bring your own WARM bedding, towels, flashlight, etc.
- Remember that autumn in the ADKs will be cold. Bring warm clothing.
- Please do not bring pets which don't normally spend the summer at DL.
- Work weekend is for adults. If you wish to bring someone who is under 18, please clear this with Chief Craig ahead of time.
- Meals begin Friday evening at 7:00 p.m., and will conclude Monday at lunch. We welcome homemade cookies, cakes, deserts, etc.

We look forward to a great time of renewal: For Deerfoot's facilities, and for many of us personally as we enjoy fellowship and contribute work toward Deerfoot's mission to build Godly men. See you there!
